ELEVEN™
AUSTRALIA

MIRACLE HAIR TREATMENT SHAMPOO & CONDITIONER are the dynamic duo for anyone (which, let's face it, is everyone) wanting to supercharge their hair hydration, help reduce frizz and prevent split ends.

How does the magic happen in **MIRACLE HAIR TREATMENT SHAMPOO & CONDITIONER**?

The clever and hair-obsessed team at **ELEVEN Australia** collaborated with their chemists to bring the beloved skincare ingredient — Hyaluronic Acid, into the haircare world.

Similar to its effects on the skin, it acts as a humectant, locking in moisture like a refreshing drink of water for dehydrated hair. For those with coloured or damaged hair, this is the ultimate thirst-quencher

NEW ARRIVAL

ELEVEN[™]
AUSTRALIA

MIRACLE BOOSTER TREATMENT

A lightweight, intensive treatment that enriches the hair fibre and reduces roughness to eliminate frizz while making hair extremely soft and shiny.

It has been formulated for any salon client that needs an intense treatment as part of an in-salon service.

WHEN TO USE IT?

An in-salon treatment to be applied at the basin. We don't suggest using the Miracle Booster on the same day of any colouring service as the booster is formulated to open and penetrate the cuticle for intensive repair and hydration.

HOW TO USE IT:

- STEP 1:** Shampoo hair with your selected ELEVEN Australia Shampoo.
- STEP 2:** Remove excess water from the hair.
- STEP 3:** Apply entire vial and **emulsify the booster into the hair.** This is an important step to activate the treatment.
- STEP 4:** Leave in for 3-5 minutes.
- STEP 5:** Rinse thoroughly. No conditioner required.

BENEFITS

Protects hair against heat and helps repair hair from UV rays. Helps repair chemically treated hair and restores its resilience. Prevents colour fading.

Rich in Oleic Acid (Omega-9), and Linoleic Acid (Omega-6). It functions as an emollient and offers moisturising, nourishing, and soothing effects.

Prevents water loss in the hair. It helps to soften, add shine and conditions hair without weighing it down.

Restores hair moisture, revitalises hair strength and helps repair the hair.

Assists with colour retention, enhances shine and features 17 amino acids that help moisturise, strengthen and repair hair.

MIRACLE BOOSTER TREATMENT is safe to use on coloured hair, just not on the same day as a colour service.
